SGA Celebrates Our Unique SGA Heritage

On March 23, the Saint George Academy Heritage Club gave an enchanting performance celebrating culture and the arts for the greater community. Organized by ESL and Ukrainian Studies teacher, Iryna Chuyan, students recited poetry from their culture, performed ethnic dances, participated in a dramatic performance that emphasized the importance of preserving the traditions and cultures of our ancestors, sang traditional songs, and presented a fabulous “Fashion Show”. Among the nationalities represented were Ukrainians, Georgian, Dominicans, Hispanic, Afro-American, Trinidad and Tobago, Portuguese, and Asian cultures.

Among several soloists was SGA Senior, Rostyslav Kharevych, a refugee student from Ukraine, who performed a riveting vocal solo as well as a saxophone solo.
