SGA Embarks On An Adventure to Italy

This year, Saint George Academy's newly established Travel Club embarked on its maiden voyage to Italy with EF Tours, an educational travel company for students. From March 28-April 3, our group of brave 11th and 12th grade explorers, along with two faculty members, traveled to Italy for the adventure of a lifetime.

SGA Travel Club in Vatican City

The Travel Club first visited Rome where, together with their guide, Paris, they stood in awe of the Colosseum, walked among the ruins of the Forum, snapped photos in Vatican City and so much more.

Then after several days, the group traveled by bus to stunning Perugia and later Assisi where they saw amazing sites like the amazing Church of St. Francis of Assisi. They enjoyed the breathtaking Umbrian countryside and delicious local cuisine as well.

The group was sad to leave this beautiful country. Students had the unique opportunity to experience living history and forged bonds of friendship that will last a lifetime. They even learned a new language – “Ciao, bella, ciao!”

Thankfully, the SGA Travel Club has only just begun to explore the world. Next year we look forward to visiting Portugal!
